37 Sec. 12. (a) Subject to the provisions of the Internal Revenue
38 Code applicable to qualified plan distributions, a member who:

39 (1) terminates service in a covered position; and

40 (2) does not perform any service in a position covered by the
41 fund for at least thirty (30) days after the date on which the
42 member terminates service;

1 is entitled to withdraw amounts in the member's account to the
 2 extent the member is vested in the account. A member must make
 3 a required withdrawal from the member's account not later than
 4 the required beginning date under the Internal Revenue Code.

5 (b) The member may elect to have withdrawals paid as:

- 6 (1) a lump sum;
- 7 (2) a direct rollover to another eligible retirement plan; or
- 8 (3) if the member has attained normal retirement age, a
- 9 monthly annuity in accordance with the rules of the board.

10 (c) The board may establish a minimum account balance or a
 11 minimum monthly payment amount in order for a member to
 12 select the monthly annuity option. The board shall establish the
 13 forms of annuity by rule, in consultation with the board's actuary.
 14 The board shall give members information about these forms of
 15 payment and any information required by federal law to
 16 accompany such distributions.

17 (d) Unless otherwise required by federal or state law, the
 18 requirements and rules that apply to the distribution of the annuity
 19 savings account apply to distributions from a member's account.

20 Sec. 13. (a) If a member dies:

- 21 (1) while in service in a position covered by the plan but not
- 22 in the line of duty; or
- 23 (2) after terminating service in a position covered by the plan
- 24 but before withdrawing the member's account;

25 to the extent that the member is vested, the member's account shall
 26 be paid to the beneficiary or beneficiaries designated by the
 27 member on a form prescribed by the board. The amount paid shall
 28 be valued as provided in IC 5-10.2-2-3 and IC 5-10.2-2-4. The
 29 board shall invest the total amount in the member's account in the
 30 stable value fund not later than thirty (30) days after receiving
 31 notification of a member's death.

32 (b) If there is no properly designated beneficiary, or if no
 33 beneficiary survives the member, the member's account shall be
 34 paid to:

- 35 (1) the surviving spouse of the member;
- 36 (2) if there is not a surviving spouse, the surviving dependent
- 37 or dependents of the member in equal shares; or
- 38 (3) if there is not a surviving spouse or dependent, the
- 39 member's estate.

40 (c) The beneficiary or beneficiaries designated under subsection
 41 (a) or a survivor determined under subsection (b) may elect to have
 42 the member's account paid as:

- (1) a lump sum;
- (2) a direct rollover to another eligible retirement plan; or
- (3) a monthly annuity in accordance with rules of the board.

A monthly annuity is an option only on or after the beneficiary or survivor becomes sixty-two (62) years of age. The board shall establish the forms of annuity by rule, in consultation with the board's actuary. Further, the board may establish a minimum account balance or a minimum monthly payment amount that is required in order for a beneficiary or survivor to select the monthly annuity option.

(d) If a member dies in the line of duty while in service in a covered position, the designated beneficiary or beneficiaries or the surviving spouse or dependents, as applicable, are entitled to payment of the member's account as provided in this section. In addition, if the member was not fully vested in the employer contribution subaccount, the account is considered to be fully vested for purposes of withdrawal under this section.

Sec. 14. (a) All assets in the plan are exempt from levy, sale, garnishment, attachment, or other legal process.

(b) A member, beneficiary, or survivor may not assign any payment under this chapter except for the following:

- (1) Premiums on a life, hospitalization, surgical, or medical group insurance plan maintained in part by a state agency.
- (2) Dues to an association that proves to the board's satisfaction that the association has as members at least twenty percent (20%) of the retired members in the plan.

Sec. 15. (a) To the extent permitted by the Internal Revenue Code and the applicable regulations and guidance, the plan may accept, on behalf of any member who is employed in a covered position, a rollover distribution from any of the following:

- (4) An individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code.

(b) Any amounts rolled over under subsection (a) must be accounted for in a rollover account that is separate from the

1 member's account in the plan. The member shall be fully vested in
2 the member's rollover account.

3 (c) A member may direct the investment of the member's
4 rollover account into any alternative investment option that the
5 board may make available to the member's rollover account under
6 section 8 of this chapter.

7 (d) A member may withdraw the member's rollover account
8 from the plan in a lump sum or direct a rollover to an eligible
9 retirement plan at any time. Upon attainment of normal retirement
10 age, in addition to these payment options, the member may
11 withdraw the member's rollover account as a monthly annuity as
12 established by the board in accordance with the annuity options
13 that are available for the member's account in the plan. A member
14 must make a required withdrawal from the member's account in
15 the plan not later than the required beginning date under the
16 Internal Revenue Code.

17 Sec. 16. (a) If a member becomes disabled while in a covered
18 position, subject to any federal law limitations concerning qualified
19 plan distributions and the member furnishing proof of the
20 member's qualification for Social Security disability benefits to the
21 board, to the extent that the member is vested, the member may
22 make a withdrawal from the member's account.

23 (b) The member may elect to have the withdrawal paid as:

- 24 (1) a lump sum;
- 25 (2) a direct rollover to another eligible retirement plan; or
- 26 (3) a monthly annuity in accordance with the rules of the
27 board.

28 (c) The board may establish a minimum account balance or a
29 minimum monthly payment amount in order for a member to
30 select the monthly annuity option.

31 Sec. 17. (a) If a member of the plan separates from employment
32 with the member's employer and later returns to employment in a
33 position covered by the plan:

- 34 (1) the individual resumes membership in the plan; and
- 35 (2) the member is entitled to receive credit for the member's
36 years of participation in the plan before the member's
37 separation. However, any amounts forfeited by the member
38 under section 11(e) of this chapter may not be restored to the
39 member's account.

40 (b) An individual who elected under section 6 of this chapter to
41 become a member of the plan resumes membership in the plan
42 upon the individual's return to employment covered by the plan.

(c) An individual who did not elect to become a member of the plan resumes membership in the fund.

(d) An individual who returns to employment in a position covered by the plan having had an opportunity to make an election under section 6 of this chapter during an earlier period of employment is not entitled to a second opportunity to make an election under section 6 of this chapter.

 - (2) the resolution is filed with and approved by the board;
- the school corporation may become a participant in the plan.

(b) The effective date of participation is the earlier of January 1 or July 1 after the date of approval.

Sec. 3. The governing body may request a preliminary survey, at its expense as determined by the board, to determine the estimated cost of participation. The board and its actuary shall give an estimate of the costs, the benefits, and other appropriate information.

5 employee beneficiary would be entitled without regard to this
6 section as a result of an increase in the sixth year trooper

(7) "Employer contribution subaccount" means the subaccount in a member's plan account established under section 7(b)(2) of this chapter.

(8) "Internal Revenue Code" has the meaning set forth in IC 5-10.2-1-3.5.

(9) "Member" means an individual described in section 1(a) of this chapter who is not otherwise excluded from membership in the plan.

(10) "Member contribution subaccount" means the subaccount in a member's plan account established under section 7(b)(1) of this chapter.

(11) "Normal retirement age" for a member means the member is at least sixty-two (62) years of age with at least five (5) years of participation in the plan.

(12) "Plan" refers to the teachers' defined contribution plan established by section 4 of this chapter.

(13) "Years of participation" means all periods of participation in the plan in a covered position, plus any additional service for which this chapter provides years of participation credit.

Sec. 3. Except as otherwise provided in this chapter or by federal law, and subject to the board obtaining the approval of the Internal Revenue Service as described in section 4(b) of this chapter, the provisions of IC 5-10.4 that apply to the annuity savings account apply to an account established under this chapter.

Sec. 4. (a) The teachers' defined contribution plan is established for the purpose of providing amounts funded by an employer and a member for the use of the member or the member's beneficiaries or survivors after the member's retirement.

(b) The board shall adopt provisions to implement the plan established under subsection (a) as follows:

(1) The board shall initially offer the plan using the annuity savings account, subject to obtaining the approval of the Internal Revenue Service in a manner satisfactory to the board to preserve the qualified status of the plan and the fund. The plan as provided under this subdivision is a component within the fund.

(2) If the approval of the Internal Revenue Service to offer the plan using the annuity savings account cannot be obtained in a manner satisfactory to the board, the board shall offer the plan as a separate fund under Section 401(a) or another applicable section of the Internal Revenue Code.

(c) The board shall administer the plan.

(d) The board may adopt a plan document that it considers appropriate or necessary to administer the plan.

Sec. 5. The board may request from the Internal Revenue Service any rulings or determination letters that the board considers necessary or appropriate in order to implement or administer the plan.

Sec. 6. An individual described in section 1(a) of this chapter who is not otherwise excluded from membership in the plan becomes a member of the plan on the later of:

- (1) the date the individual begins the individual's employment in a covered position with an employer that participates in the plan; or
- (2) the date the individual's position with the employer that participates in the plan becomes covered by the plan, as specified in the resolution adopted by the employer under IC 5-10.4-9.

Sec. 7. (a) The plan consists of the following:

- (1) Each member's contributions to the plan under section 9 of this chapter.
- (2) Contributions made by an employer to the plan on behalf of each member under section 10 of this chapter.
- (3) Rollovers to the plan by a member under section 15 of this chapter.
- (4) All earnings on investments or deposits of the plan.
- (5) All contributions or payments to the plan made in the manner provided by the general assembly.

(b) The plan shall establish an account for each member. A member's account consists of two (2) subaccounts credited individually as follows:

- (1) The member contribution subaccount consists of:
 - (A) the member's contributions to the plan under section 9 of this chapter; and
 - (B) the net earnings on the contributions described in clause (A) as determined under section 8 of this chapter.
- (2) The employer contribution subaccount consists of:
 - (A) the employer's contributions made on behalf of the member to the plan under section 10 of this chapter; and
 - (B) the earnings on the contributions described in clause (A) as determined under section 8 of this chapter.

The board may combine the two (2) subaccounts established under this subsection into a single account, if the board determines that a single account is administratively appropriate and permissible under applicable law.

(c) If a member makes rollover contributions under section 15

of this chapter, the plan shall establish a rollover account as a separate subaccount within the member's account.

Sec. 8. (a) Subject to the board obtaining the approval of the Internal Revenue Service as described in section 4(b) of this chapter, the board shall establish the alternative investment programs (as described by IC 5-10.2-2-3 and IC 5-10.2-2-4) within the annuity savings account as the initial alternative investment programs for the plan, except that the board shall maintain at least one (1) alternative investment program that is a stable value fund. If the board considers it necessary or appropriate, the board may establish different or additional alternative investment programs for the plan. However, the guaranteed program (as defined in IC 5-10.2-2-3) shall not be offered as an investment option under the plan.

(b) The requirements and rules that apply to the alternative investment programs within the annuity savings account are the initial requirements and rules that apply to the alternative investment programs within the plan, including the following:

- (1)** The board's investment guidelines and limits for the alternative investment programs.
- (2)** A member's selection of and changes to the member's investment options.
- (3)** The valuation of a member's account.
- (4)** The allocation and payment of administrative expenses for the alternative investment programs.

(c) If the board considers it necessary or appropriate, the board may establish different or additional requirements and rules that apply to the alternative investment programs within the plan.

(d) The board shall determine the appropriate administrative fees to be charged to the member accounts.

Sec. 9. (a) Each member's contribution to the plan is equal to three percent (3%) of the member's compensation. The state shall pay the member's contribution on behalf of each member of the plan each year.

(b) To the extent permitted by the Internal Revenue Code and applicable regulations, a member of the plan may make contributions to the plan in addition to the contribution required under subsection (a). IC 5-10.2-3-2(c) and IC 5-10.2-3-2(d) govern additional contributions made under this subsection.

(c) Member contributions must be credited to the member's account as specified in IC 5-10.2-3.

(d) Although designated as employee contributions, the

contributions made under subsection (a) are picked up and paid by an employer instead of the contributions being paid by the employee in accordance with Section 414(h)(2) of the Internal Revenue Code. A member may not receive any amounts paid by the state under this section directly instead of having the amounts paid to the plan.

Sec. 10. (a) An employer shall make employer contributions to the plan based on the amount determined under this section.

(b) The employer's contribution amount for the plan for any period equals the sum of:

- (1)** the sum of the amounts determined under subsection (c) for members of the plan that were employed during the period by the employer; and
- (2)** the employer's share for the period of the amount necessary to amortize the unfunded accrued liability of the fund as determined under IC 5-10.2-2-11(a)(3) and IC 5-10.2-2-11(a)(4).

(c) For each member of the plan, the amount to be credited to the member's account from the employer's contribution determined under subsection (b) is the lesser of:

- (1)** the product of:
 - (A)** the sum of the amounts contributed by the member under section 9(a) and 9(b) of this chapter; multiplied by
 - (B)** two (2); or
- (2)** seven and five-tenths percent (7.5%) of the member's compensation.

(d) Any amount not credited to the member's account shall be applied to the unfunded accrued liability of the fund as determined under IC 5-10.2-2-11(a)(3) and IC 5-10.2-2-11(a)(4).

(e) An employer shall submit the employer contributions determined under this section as provided in IC 5-10.2-2-12.5.

Sec. 11. (a) Member contributions and net earnings on the member contributions in the member contribution subaccount belong to the member at all times and do not belong to the state.

(b) A member is vested in the employer contribution subaccount in accordance with the following schedule:

Years of participation in the plan	Vested percentage of employer contributions and earnings
1	20%
2	40%
3	60%

4	80%
5	100%

For purposes of vesting in the employer contribution subaccount, only a member's full years of participation in the plan may be counted.

(c) The amount that a member may withdraw from the member's account is limited to the vested portion of the account.

(d) A member who attains normal retirement age is fully vested in all amounts in the member's account.

(e) If a member separates from service with an employer before the member is fully vested in the employer contribution subaccount, the amount in the employer contribution subaccount that is not vested is forfeited as of the date the member separates from service.

(f) Amounts forfeited under subsection (e) must be used to reduce the employer's unfunded accrued liability of the fund as determined under IC 5-10.2-2-11(a)(3) and IC 5-10.2-2-11(a)(4).

(g) A member may not earn creditable service (as defined in IC 5-10.2-3-1(a)) under the plan.

Sec. 12. (a) Subject to the provisions of the Internal Revenue Code applicable to qualified plan distributions, a member who:

- (1) terminates service in a covered position; and
- (2) does not perform any service in a position covered by the fund for at least thirty (30) days after the date on which the member terminates service;

is entitled to withdraw amounts in the member's account to the extent the member is vested in the account. A member must make a required withdrawal from the member's account not later than the required beginning date under the Internal Revenue Code.

(b) The member may elect to have withdrawals paid as:

- (1) a lump sum;
- (2) a direct rollover to another eligible retirement plan; or
- (3) if the member has attained normal retirement age, a monthly annuity in accordance with the rules of the board.

(c) The board may establish a minimum account balance or a minimum monthly payment amount in order for a member to select the monthly annuity option. The board shall establish the forms of annuity by rule, in consultation with the board's actuary. The board shall give members information about these forms of payment and any information required by federal law to accompany such distributions.

(d) Unless otherwise required by federal or state law, the

requirements and rules that apply to the distribution of the annuity savings account apply to distributions from a member's account.

Sec. 13. (a) If a member dies:

- (1) while in service in a position covered by the plan but not in the line of duty; or**
- (2) after terminating service in a position covered by the plan but before withdrawing the member's account;**

to the extent that the member is vested, the member's account shall be paid to the beneficiary or beneficiaries designated by the member on a form prescribed by the board. The amount paid shall be valued as provided in IC 5-10.2-2-3 and IC 5-10.2-2-4. The board shall invest the total amount in the member's account in the stable value fund not later than thirty (30) days after receiving notification of a member's death.

(b) If there is no properly designated beneficiary, or if no beneficiary survives the member, the member's account shall be paid to:

- (1) the surviving spouse of the member;**
- (2) if there is not a surviving spouse, the surviving dependent or dependents of the member in equal shares; or**
- (3) if there is not a surviving spouse or dependent, the member's estate.**

(c) The beneficiary or beneficiaries designated under subsection (a) or a survivor determined under subsection (b) may elect to have the member's account paid as:

- (1) a lump sum;**
- (2) a direct rollover to another eligible retirement plan; or**
- (3) a monthly annuity in accordance with rules of the board.**

A monthly annuity is an option only on or after the beneficiary or survivor becomes sixty-two (62) years of age. The board shall establish the forms of annuity by rule, in consultation with the board's actuary. Further, the board may establish a minimum account balance or a minimum monthly payment amount that is required in order for a beneficiary or survivor to select the monthly annuity option.

(d) If a member dies in the line of duty while in service in a covered position, the designated beneficiary or beneficiaries or the surviving spouse or dependents, as applicable, are entitled to payment of the member's account as provided in this section. In addition, if the member was not fully vested in the employer contribution subaccount, the account is considered to be fully vested for purposes of withdrawal under this section.

Sec. 14. (a) All assets in the plan are exempt from levy, sale, garnishment, attachment, or other legal process.

(b) A member, beneficiary, or survivor may not assign any payment under this chapter except for the following:

- (1) Premiums on a life, hospitalization, surgical, or medical group insurance plan maintained in part by a state agency.**
- (2) Dues to an association that proves to the board's satisfaction that the association has as members at least twenty percent (20%) of the retired members in the plan.**

Sec. 15. (a) To the extent permitted by the Internal Revenue Code and the applicable regulations and guidance, the plan may accept, on behalf of any member who is employed in a covered position, a rollover distribution from any of the following:

- (1) A qualified plan described in Section 401(a) or Section 403(a) of the Internal Revenue Code.**
- (2) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.**
- (3) An eligible plan maintained by a state, a political subdivision of a state, or an agency or instrumentality of a state or political subdivision of a state under Section 457(b) of the Internal Revenue Code.**
- (4) An individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code.**

(b) Any amounts rolled over under subsection (a) must be accounted for in a rollover account that is separate from the member's account in the plan. The member shall be fully vested in the member's rollover account.

(c) A member may direct the investment of the member's rollover account into any alternative investment option that the board may make available to the member's rollover account under section 8 of this chapter.

(d) A member may withdraw the member's rollover account from the plan in a lump sum or direct a rollover to an eligible retirement plan at any time. Upon attainment of normal retirement age, in addition to these payment options, the member may withdraw the member's rollover account as a monthly annuity as established by the board in accordance with the annuity options that are available for the member's account in the plan. A member must make a required withdrawal from the member's account in the plan not later than the required beginning date under the Internal Revenue Code.

Sec. 16. (a) If a member becomes disabled while in a covered

position, subject to any federal law limitations concerning qualified plan distributions and the member furnishing proof of the member's qualification for Social Security disability benefits to the board, to the extent that the member is vested, the member may make a withdrawal from the member's account.

(b) The member may elect to have the withdrawal paid as:

- (1) a lump sum;
- (2) a direct rollover to another eligible retirement plan; or
- (3) a monthly annuity in accordance with the rules of the board.

(c) The board may establish a minimum account balance or a minimum monthly payment amount in order for a member to select the monthly annuity option.

Sec. 17. If a member of the plan separates from employment with the member's employer and later returns to employment in a position covered by the plan:

- (1) the individual resumes membership in the plan; and
- (2) the member is entitled to receive credit for the member's years of participation in the plan before the member's separation. However, any amounts forfeited by the member under section 11(e) of this chapter may not be restored to the member's account.

SECTION 27. IC 5-10.4-9 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]:

1 or July 1 after the date of approval.

Sec. 3. The governing body may request a preliminary survey, at its expense as determined by the board, to determine the estimated cost of participation. The board and its actuary shall give an estimate of the costs, the benefits, and other appropriate information.
